

EC Declaration of Conformity RoHS II 2011/65/EU & 2015/863

ERIKS is firmly committed to meet the requirements of the RoHS Directive.
Company policy is designed to ensure that only RoHS-compliant products are sold.

ERIKS has contacted its suppliers and based on the information supplied, it can assume that all the products it supplies are RoHS II (Directive 2011/65/EU; annex II 2015/863) compliant.

ERIKS will continue to check with its suppliers to ensure that this information remains updated. Should any changes to come to the attention of ERIKS, we will inform you accordingly.

In case you have specific questions concerning RoHS, please contact one of our specialists. See contact information (phone-numbers and email addresses) on our website www.eriks.nl
